### BETTER FOR LONGER

Trizol Silicone Spray Lubricant has been the silicone of choice for many decades. Used by major industry, military installations, railroads, electric companies, etc. Trizol Silicone Spray contains more silicone than other brands. Because of this, it works better and longer. Available as a companion product to the company's Trizol Penetrating Solvent, this product is non-staining, fast drying and comes in a convenient 11 oz net weight aerosol can.
